Upon notification of persistent behavior issues that interfere with the student's ability to learn and participate in the program, and/or pose a risk to the safety and well-being of the student or others, the program may, at its discretion, initiate a dismissal process. This may include, but is not limited to, repeated incidents of physical or verbal aggression, or other behaviors that disrupt the educational environment. In the event of dismissal, the program will provide written notice to the student's guardian, including a detailed explanation of the behavior issues and the reason for dismissal.
